Science Teacher Maternity Cover

(Fix term contract until end of July 2023)

Teachers MPS/UPS + Fringe + SEN allowance

Do you have a genuine commitment to improving outcomes for students on the autistic spectrum? Can you meet our students' needs first and then provide an outstanding education up to and beyond GCSE qualifications? Do you want to make a difference to the lives of young people and ensure they are ready to contribute to society? Do you want to be part of an exciting journey to become an outstanding provision, with a positive and forward-thinking team of staff? If the answer is a resounding yes, then this could be a great opportunity for you!

Heathermount School provides an all-round education to meet the needs of students from the ages of 4-19 who have SEND with a primary diagnosis of Autism. Heathermount is a day school owned by The Disabilities Trust; we are well resourced and have excellent facilities set in 14 acres of land. Classes are small (max 8 in Secondary) and staff training is comprehensive. We work hard to achieve the best possible outcome for our students and parents. The rewards are tremendous if you are motivated by improving the life chances of young people and want to have a positive impact on their family life and future development.

We are looking to appoint a curriculum lead / secondary science teacher with an excellent knowledge of the KS3/4 science curriculum and the experience of teaching up to GCSE level. You should ideally have knowledge of supporting students with autism and be enthusiastic and passionate about teaching and learning. In addition, we are willing to upskill an outstanding teacher who has an interest in ASC. Our team of educational and therapy staff work together to provide a high-quality learning experience for our young people and the school delivers a highly professional and extensive CPD programme for all staff.

The school has a "Good" Ofsted inspection (Feb 2019) and in June 2021 achieved the prestigious Advanced Autism Accreditation status and was awarded with the Leading Parent Partnership Award and the Wellbeing Award for Schools. We are a forward looking and ambitious school with a passion for making a difference to the lives and education of our young people.

Please do not hesitate to call the school for an informal chat or come and visit us and meet our inspiring, wonderful young people and our hard working, talented staff. We welcome interest from colleagues from both mainstream and special or alternative provisions.

Heathermount is committed to safeguarding and promoting the welfare of its students. All positions are subject to receipt of a satisfactory Enhanced DBS check, Barred List check and references.

Visits and informal discussions are warmly welcomed and encouraged. Please contact Julie-Ann Stone on 01344 875101 or by email to admin@heathermount.co.uk

For an application pack, please email css.recruitment@thedtgroup.org
