Heathermount school is looking to appoint an organised, positive, and enthusiastic Intervention teacher (part time) to deliver small group and 1:1 English and Math sessions to our very capable autistic students who are working towards GCSE and Functional Skills qualifications.

Working with subject specialists, our Intervention teacher will engage with students who need extra support to reinforce concepts, address misconceptions or address gaps in knowledge and will help them fulfil their full potential. This will primarily be focused on English and Math subject areas in KS3/4.

Heathermount is a small and friendly school that provides an all-round education to meet the needs of students from the ages of 4-19 who have SEND with a primary diagnosis of Autism. We are well resourced and have excellent facilities set in 14 acres of land. Classes are small (max 8 in Secondary) and staff training is comprehensive.

The school has a “Good” Ofsted inspection (Feb 2019) and in June 2021 achieved the prestigious Advanced Autism Accreditation status and was awarded with the Leading Parent Partnership Award and the Wellbeing Award for Schools. We are a forward looking and ambitious school with a passion for making a difference to the lives and education of our young people.

Please do not hesitate to call the school for an informal chat or come and visit us and meet our inspiring, wonderful young people and our hard working, talented staff. We welcome interest from colleagues from both mainstream and special or alternative provisions.

Heathermount is committed to safeguarding and promoting the welfare of its students. All positions are subject to receipt of a satisfactory Enhanced DBS check, Barred List check and references.

Visits and informal discussions are warmly welcomed and encouraged. Please contact Julie-Ann Stone on 01344 875101 or by email to [admin@heathermount.co.uk](mailto:admin@heathermount.co.uk)

At Heathermount we evaluate applications on receipt and may contact suitable candidates for interview before the closing date. Please note, the role will close as soon as a successful candidate is appointed so early application is recommended.
