

# NEW FOR SEPTEMBER 2025!

## Online Safety Hub by Smoothwall

We are excited to announce the launch of the Smoothwall online safety hub! This is a central resource for staff and parents of all schools to access information and support related to online safety.

### Highlights:

- Supporting schools
- Helps teachers and pastoral staff stay ahead of digital safety trends and have meaningful conversations with students.
- Helping parents helps them build their knowledge and take a more active role in teaching their children about online safety.

A practical source of expertise, written by digital safety experts, the Online Safety Hub acts as a central place for everyone's digital safety needs and questions.

### Key benefits:

Expert-authored platform offering up-to-date advice, app safety assessments, and social media guidance. Provides resources on cyberbullying, oversharing, and screen time. Includes expert-led training sessions, free parental control app access, teacher development materials, and shareable content for school communications, all promoting online safety.
